Anvil Increases Bought Deal Financing to CDN\$149.5 million

Anvil Mining Limited (TSX, ASX: AVM) is pleased to announce that further to its News Release earlier today and dated February 21, 2006 the bought-deal offering has been increased to 23,000,000 common shares at C\$6.50 per share, for gross proceeds of C\$149,500,000. The offering is being conducted by a syndicate of Underwriters, led by Paradigm Capital Inc. and including Haywood Securities Inc. and GMP Securities L.P.

The common shares will be offered in Canada by way of a short-form prospectus. The offering is expected to close on March 21, 2006 and is subject to all normal regulatory approvals, including the approval of the Toronto Stock Exchange and the Australian Stock Exchange.

The net proceeds of the offering will be used primarily for development of Anvil's mining projects in the Democratic Republic of Congo, working capital and for general corporate purposes.

This News Release does not constitute an offer to sell or the solicitation of an offer to buy any common shares within the United States. The common shares have not been offered and will not be registered under the United States Securities Act of 1933, as amended (the "1933 Act"), or any state securities laws. Accordingly, the common shares may not be offered or sold in the United States or to U.S. persons (as such terms are defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws or an exemption from such registration is granted.

Anvil Mining Limited is an unhedged copper and silver producer whose shares are listed for trading on the Toronto Stock Exchange and the Australian Stock Exchange under the symbol AVM.
